STARLIT MAGIC

Not-So-Scary — Night-Of Game Plan

Your hour-by-hour plan to make every minute count.

The party runs **7 PM** to **midnight** — but your ticket gets you in at **4 PM**. Here's how to use all eight hours.

4:00 PM	**Get in early.** Ride the headliners while day-guests are still in the park; waits drop fast once they clear out at 6.
7:00 PM	**Party starts.** Hit the trick-or-treat trails now, while everyone else is staking out parade spots — candy lines are shortest early.
8:15 PM	**First Boo-to-You Parade.** Grab a curb spot on Main Street — or ride while everyone watches, and enjoy near-walk-ons.
~9:00 PM	**Hocus Pocus.** Catch a Villain Spelltacular show, or keep riding.
10:00 PM	**Fireworks.** Find a hub or Main Street spot early for Not-So-Spooky Spectacular.
11:15 PM	**Second Boo-to-You Parade.** Far thinner crowds than the first — the best viewing of the night.
Until midnight	**Last laps.** Rare character meets, Stitch's dance party, and one final sweep of the candy trails.
